DENVER, Dec. 15, 2025 /PRNewswire/ -- Apartment Investment and Management Company ("Aimco") has entered into a definitive agreement with LaTerra Capital Management, LLC (an affiliate of LaTerra Development), in partnership with Respark Residential, LLC, to sell its portfolio of seven apartment properties, including 1,495 units, located in the Chicago market for \$455 million. The buyer has completed due diligence and funded, in part, a non-refundable deposit that will, under the terms of the agreement, total \$20 million by January 15, 2026. Closing is scheduled for the first quarter of 2026, pending assumption of the in-place mortgage loans, the approval of which is currently being pursued.

Net proceeds from the sale of the Chicago portfolio, when accounting for associated property-level debt and transaction costs, are expected to be approximately \$160 million.

If closing occurs as planned, Aimco intends to distribute the majority of net proceeds to shareholders, pursuant to Aimco's "Plan of Sale and Liquidation" which we expect to put before shareholders for approval in early 2026.
